

BALAGAN MENU

Our Balagan menu offers a journey through the flavours of the Eastern Mediterranean with carefully curated signature highlights of our kitchen. Designed to be shared by the whole table, this experience brings together our most celebrated dishes and vibrant flavours.

Your dinner starts with mainly plant-based mezze style dishes, followed by bigger plates.

The Balagan is a three-round menu where all food is shared and ordered for the table. Balagan means 'beautiful chaos' and that is exactly what we intend to create. The bigger the group, the bigger the Balagan.

You can also choose your menu to be fully vegetarian or vegan.
