

BALAGAN MENU

Our Balagan menu offers a journey through the flavours of the Eastern Mediterranean. Your dinner starts with mainly plant-based mezze style dishes, followed by bigger plates that we consider typical of our NENI culture. The Balagan is a three-round menu where all food is shared and ordered for the table. Balagan means 'Beautiful Chaos' and that is exactly what we intend to create. The bigger the group, the bigger the Balagan. You can also choose your menu to be fully vegetarian or vegan.

HAFLA NIGHT

Hafla, meaning feast, is recommended for those who want to go all out and experience the full range of what NENI has to offer. We recommend this menu for the table, as it offer the ultimate variety of NENI tastes and textures. This is a four-round menu, loved by our guests.
